Dear Families,

Hello to all parents/guardians! I want to wish all of our families and students a Happy Holiday season. May the New Year bring a new found sense of hope and purpose within your families and communities.

Included in this letter, you will find your young person's grades and some of the teacher's comments. If there is a dash mark (-) where the grade should be, that means that the teacher did not enter the grade. If there is an "NC", that is the equivalent of an "F". Please remember that our school does not accept "D" work, therefore, any effort below 70% is an "NC".

Also keep in mind that these are not the students' official grades. These are "progress reports" that we issue at the mid-point of the quarter. If you look at our calendar, you will see that the quarter ends on January 29th. Students have until then to turn their grades around and/or continue to do well.

I want to thank all of our parents that have made the effort to: come visit the school; cover a shift of security at our school; paid their student's school fee; called the school to talk with a teacher; attended our events including report card pick-up and parent/staff meetings etc. It is ONLY with the collaboration between the home and the school, that our students will be successful!

Our next mandatory activity is our open house on Friday, February 5th. This is an Open House to pass out students' 2nd Quarter grades, and the doors will be open from 4:30pm-7pm at 2739 W. Division Street.

Thank you and I hope to speak to you all soon!

Sincerely,

Matthew Rodríguez
Director
