February 26, 2010

Dear Parent/Guardian,

We have reached a very critical moment in the school year, and our school needs your help and support. There are only 16 weeks of school left! The following are a list of issues and some potential ways that you could help:

- There are 62 students that currently have 9 unexcused absences or more in the school year. As soon as a student reaches 18 absences, they will no longer be a part of our school. Please challenge your son/daughter to stay on track with their attendance, and to make sure that they are here everyday. To check on the attendance of your daughter/son, please call 773.342.8022 and ask for Adalberto Aponte.
- We have several upcoming activities in our school that are mostly paid for through our student fee payments. Please be sure to make your payments to the school, if you have not done so already. To set up a payment plan please call 773.342.8022 and ask for Vidia Rodríguez.
- Several seniors have been struggling in their classes. Every senior is taking the classes that they need to graduate. To ensure that your daughter/son will graduate, please work with them in passing their classes; ask them for their grades; call the school and learn how to check your student's grades on your own using Power School; call the school and speak to your student's mentor.

Here are some upcoming dates to make note of:

- Mid-module progress reports - Wednesday, March 10, 2010
- All school fieldtrip (mandatory attendance) - Thursday, March 18, 2010
- Spring break – Monday, March 29 thru Friday, April 2, 2010
- Report Card pick up – Friday, April 16, 2010

Thank you very much for your efforts. Let us work together to finish the school year strong!

Sincerely,

Matthew Rodriguez  
Director
