10/6/2010

Dear Parents/Guardians,

Hello and welcome to a new school year! Believe it or not, we have already held classes for just over five weeks. Time really moves fast when the school year begins. As an attempt to slow things down, we send letters home to our parents and caregivers to keep you informed regarding student achievement as well as upcoming events and activities sponsored/supported by our school.

Included in this envelope you will find your son /daughter's progress report, our school calendar, as well as some information about resources that are available to all families in our community.

Please note, a "progress report" is not your son/daughter's official grades – this is only a report provided by the instructional team to show students and their families where students stand academically at the middle of the quarter. Our first quarter ends on Friday November 12, and students have until then to either keep their grades up, or to improve them.

We are all extremely excited to work with you and your son/daughter in accomplishing your goals. Please review the school calendar carefully and if you have any questions, please feel free to contact the school to ask any questions. Also, please visit our school's website – there is a lot of important information that is posted.

Atentamente,

Matthew Rodríguez
Principal

1972-2010: Celebrating 38 years of critical thinking and community self-actualization
Celebrando 38 años de pensamiento crítico y autogestión comunitaria
