The last day to purchase tickets will be Friday, May 27th, 2011. Everyone (no matter what age) must have a permission slip signed by a parent or guardian in order to purchase a ticket. This can be picked up in the Principal's Office. You can also get the prom packet from our school website (www.pedroalbizucamposhs.org). **There are no refunds on Prom Tickets!!! No Tickets will be sold after Friday, May 27th, 2011**

Travel/Parking

The fieldhouse will be open at 6:30 p.m. for students and their guests. Parking is available for those traveling to the fieldhouse. There will be light music, soda and small appetizers until dinnertime. Dinner will be served at 7:30 p.m. There will be a presentation of the seniors and then the floor will be open for dancing, and the photographer will be available for photos.

Pictures

We will have a photographer for the night. After prom, each senior will receive a CD with all of the pictures from the evening – this is a part of the cost paid for by the prom ticket.

Table Reservations

Table reservations can be made when you buy your tickets, if you register all 4 couples. A table reservation form is included in this packet and should be filled out completely. You can pick your table when you purchase your prom tickets. All couples must purchase a ticket before your table can be reserved. All students will have an assigned table. Anyone without a full table of 4 couples will be assigned by the sponsors to a table.

Dress Code

No jeans, no gym shoes, this is a formal event and elegant attire is expected.

Menu

You will start your dinner with appetizers of chicken wings and salad. Your main entrée this year will be arroz con gandules, roasted turkey and pork and potato salad, as students from the Prom Committee requested.

Hint

The best way to ride and sit with all of your friends is to have one person collect your tables' money (checks payable to Dr. Pedro Albizu Campos Puerto Rican High School) and the permission slips. This one person can then purchase all the tickets, and fill out the table form properly.
